

HOW COOKWORK IS COMMITTED TO VARIOUS SDG'S

At Cookwork, we are dedicated to fostering sustainable culinary practices and empowering food entrepreneurs. Our mission is to promote health, responsible consumption, and economic growth through innovative kitchen solutions and partnerships.

Cookwork is committed to supporting the Sustainable Development Goals (SDGs) by integrating sustainability into every aspect of our operations

****SDG 3: Good Health and Well-being****: Our healthy cooking workshops and the promotion of nutritious eating habits contribute to the well-being of our participants.

****SDG 12: Responsible Consumption and Production****: We reduce food waste through sustainable cooking methods and zero-waste approaches, promoting responsible consumption and production.

****SDG 8: Decent Work and Economic Growth****: By offering affordable kitchen spaces and coaching, we support food entrepreneurs, fostering decent work and economic growth.

****SDG 11: Sustainable Cities and Communities****: Utilizing existing kitchens and avoiding new construction, we help promote sustainable urban development.

****SDG 17: Partnerships for the Goals****: We collaborate with diverse partners, including sustainable initiatives, social initiatives and local farmers, to maximize collective impact.

Join us in our mission to create a sustainable future through healthy eating, responsible consumption, and economic empowerment. Together, we can build sustainable cities, foster meaningful partnerships, and make a lasting impact on our communities. Let's cook, grow, and thrive sustainably.
